Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Public Infrastructure Improvements on Washington Street Project in Fiscal Year 2022. The entity to receive funding for this project is the Borough of Wharton, New Jersey located at 10 Robert Street, Wharton, NJ 07885.

The \$250,000 amount would be allocated toward sanitary sewer replacement, water main replacement, and full-width pavement restoration/milling & resurfacing along Washington Street in Wharton, which is home to several residences, including a high-density housing development.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tom Malinowski  
Member of Congress
